Swipe sideways or tap arrows to see each step.

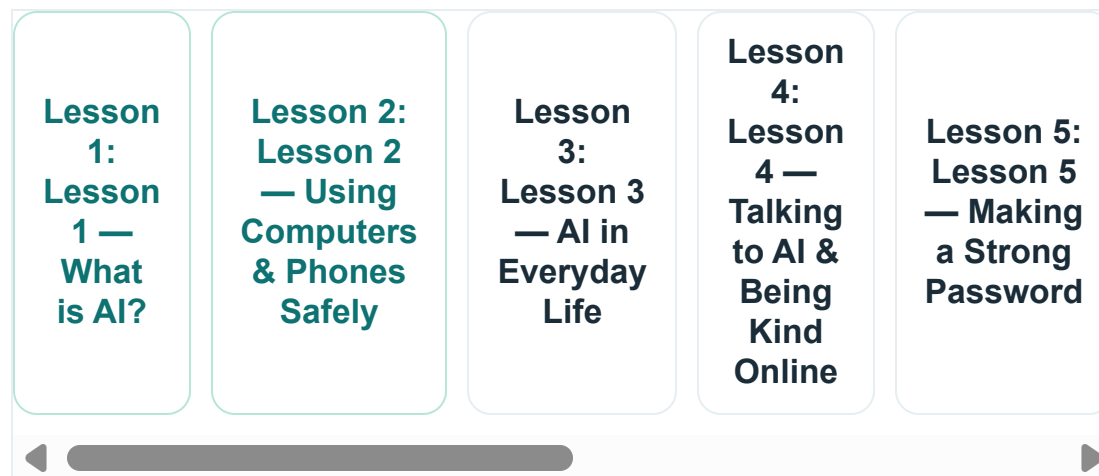

4

Try asking for help from a trusted adult when something feels confusing online.

Lessons & quizzes

Interactive cards show progress, activities, and a quick quiz for each lesson.

Lesson 2

Lesson 2 — Using Computers & Phones Safely

Completed

Use strong passwords and avoid strange links.

Be a tech superhero: protect your device from bad links and scammers.

✓ Mix letters, numbers, and symbols in passwords.

☒ Avoid links that yell or look fake.

☒ Ask a trusted person if unsure.
